My Place of Pride: An initiative to recognize eco-friendly communities

[Sushma Mahabala](#), 09 Dec 2016 , Citizen Matters

Rotary Palmville in association with B.PAC launched 'My Place of Pride', an initiative to recognise eco-friendly communities on 26th of November 2016 at Bharatiya Vidhya Bhavan, Race course road.

The unprecedented growth of Bengaluru city has led to complex urban problems. Our City has a vibrant civic society and its ability to voice concerns arising out of such growth is well known. Bengaluru is currently facing serious challenges in the areas of Solid Waste Management, Water, Energy sufficiency and fire safety. Various communities have responded to these challenges in a commendable manner through creating awareness, setting examples and placing pressure on the governmental institutions. My Place of Pride is an initiative to acknowledge and appreciate such communities for their efforts and their ability to demonstrate being environmentally responsible.
